Hamburg/ Oberursel/ Frankfurt a. M., 20.11.2019. The employees of the German Thomas Cook subsidiary Bucher Reisen & Öger Tours GmbH can breathe again. The tour operator Bucher Reisen & ÖGER TOURS is rescued less than two months after filing for insolvency. The Turkish tour operator ANEX Tour takes over the Turkey specialist ÖGER TOURS and the best-deal provider Bucher Reisen. With the internationally active Turkish tourism group, the provisional insolvency administrator Julia Kappel-Gnirs of the law firm hww hermann wienberg wilhelm was able to find a powerful strategic investor for the well-known German travel specialist.

"We are very pleased that we have succeeded in setting the course for a promising future for the traditional brands ÖGER TOURS and Bucher Reisen with the investor ANEX Tour. ANEX Tour is the ideal strategic acquirer for this tour operator, which fits perfectly into the portfolio", says Julia Kappel-Gnirs, provisional insolvency administrator.

"We're moving on! This is very good news for our highly qualified and committed employees. Our special thanks go to them because they have fought from the bottom of their hearts over the last few weeks to preserve the company. We will now be able to successfully contribute our know-how and outstanding expertise as a tour operator to ANEX Tour", says Michael Gisbertz, Managing Director of Bucher Reisen & ÖGER TOURS GmbH, who is responsible for Bucher Reisen in Meerbusch. ANEX Tour will take over all 84 employees at the two company locations in Hamburg and Meerbusch.

"We are confident about this future perspective and are working flat out to ensure that the travel business can resume as quickly as possible in the coming weeks. We hope that our long-standing sales partners and customers will continue to place their trust in us and decide to travel with Bucher and ÖGER again in the future," says Songül Göktas-Rosati, Managing Director of Bucher Reisen & ÖGER TOURS GmbH in Hamburg and responsible for ÖGER TOURS.

"I am pleased to welcome the management and the employees of Bucher Reisen and ÖGER TOURS into ANEX. The takeover of these valuable brands shows our strong commitment to ANEX's strategy of becoming a global power in the tourism sector. Rescuing ÖGER TOURS, a Turkish brand of long standing, and adding Bucher Reisen to our group will add new values to our Group. With the experiences of Bucher and ÖGER in the German market and with ANEX's global proficiency, we will bring the company back to its glory days", says the Chairman of ANEX Tour Neşet Koçkar.

The sale and takeover is still subject to the approval of the temporary creditors' committee and the anti-trust authorities. The aim is to have these by the end of November 2019. The parties have agreed not to disclose the purchase price.

The travel bookings with the tour operator Bucher Reisen & ÖGER TOURS, which were cancelled after filing for insolvency, cannot be resumed for legal reasons.
